Graphic Designer, Painter, Art director

Baku, Azerbaijan

## Summary

I'm Painter and Graphic Designer.

I love colors, contrast and creativity. I enjoy being around others and am especially attracted to the creative world. The lead in the play, the artistic mind power behind the big idea, or the performer, I'm always shine. Others are drawn to me and admire me. I thrive out in the world and appreciate being surrounded by other people. The only exception to this is when I am working in the creative realm, finding myself completely engrossed in a project for hours at a time.
